Subject: DISTRICT 14 GRASS MOWING

Steve

One of the biggest problems we have in the District 14 is high grass and weeds. 36 cases have been referred to open spaces with 26 cases still be open. I would like to have (3) crews to work for a week end catch up. I am planning to transfer \$3600 from NDF funds to Public Works to pay for this overtime. I would like a list of the properties involved.

After these properties are mowed, I would like to know for sure that leins have been properly placed against these properties.

Who will be the contact person I need to speak to about distributing these funds? Thank you for your help.

Subject: RE: DISTRICT 14 GRASS MOWING

CM Henderson,

The figure I quoted Larry is an estimate, it could possibly be a little more or less, we will do our best to keep it less. As of right now there are 26 OPREF(Open Referrals) in District 14, as we speak we're in the process of closing out Service Requests, so the 26 number could be less. I will schedule the overtime for next Saturday, June 24, 2006. There will be 3 crews and we will grid all the complaints into 3 centrally located areas, so the crews aren't wasting a lot of time traveling from one to the other. We will just bill you for the overtime after the fact, so you can have an exact figure. I'm sending you a copy of the Service Requests in the mail today. After we complete the requests and our department closes them out you may contact IPL to insure the liens have been placed on the properties. Carol Miller, our department Business Manager, will be the contact for the transfer of the overtime funds. I will be in contact prior to next Saturday. Feel free to contact me if you have any further questions.

Subject: Overtime Pay for Personnel

The cost for all personnel is as follows, per the sheet for rates we charge. That is 546.16 per hour for a total of \$4,369.28. That is personnel only no equipment charges.

LSII	1 @ 30.77
LSI	3 @ 27.65
EOIII	2 @ 28.50
EO	3 @ 23.13
Laborer	9 @ 18.95
Temp/Lab	7 @ 15.08

This is a total of \$4,369.28 for 8 hours.

There needs to be an appropriation from the Council to move the funds. Kelly Paris should know how to initiate this process.

Ms Miller

I would like to place \$3600 into Public Works account from my Neighborhood Dev. Fund to cover overtime wages for employees to cut grass in some of the properties in District 14.

Would you be willing to distribute those funds?
